

SHORES CAMERA CLUB **FOCUS**

February 2006

THE MONTHLY NEWSLETTER OF THE SHORES
CAMERA CLUB WHICH MEETS IN DAYTONA
BEACH SHORES, FLORIDA

President's Corner

I hope everyone had a nice time at the Awards Banquet. Amy did a wonderful job with both the decorations and the award plaques. Congratulations to all the awards winners, especially Joan Robinson and Ann Dahm – our 2005 Photographers of the Year.

Thanks go Lloyd and Al for putting together our January workshop on Black & White – Highkey, Lowkey and Methods of Conversion. It was a well presented, informative presentation and I was happy to see that we had a nice turnout for it.

Thanks also need to go to Kathleen Turley. Daytona Beach Shores needed a photographer for Isabell Briggs' 107th Birthday Party. I understand that it was a very last minute thing, so it was extra nice of Kathleen to volunteer.

We have three new members who joined the club during the workshop. They are Kim Rinkinen, Cheryl Fahey and Dolores Lemelin. Please be sure to welcome them when you see them at the next meeting.

For those of you who may not know yet, the website is up and the schedule is out

Larry CrivelliQuilting Frames

for the Birding and Nature Festival in St. Augustine May 11-14. The web address is:

Most of the lectures are only \$10 so take a look. There might be something that interests you.

Just a little reminder for the board – don't forget we have a board meeting scheduled for 6:15 February 9th. Please let me know if you can't be there.

If you have paid your dues, but not gotten your copy of the 2006 Handbook, you can get one from me at the meeting.

See everyone at the February 9th meeting.

Stephanie

9 February Program

The guest speaker for our general membership meeting will be Gregory Daniel. Three times Florida's Photographer of the year, Greg has won many Kodak Gallery and other national awards. He holds the combined degrees

of Master of Photography and Photographic Craftsman and is a member of the very prestigious Cameracraftsmen of America. For more information and a peek at his superb images, visit his website at:

February Workshop

Kevin Doxstater will present the third and final part of his series of workshops on the use of Adobe Photoshop. There will be a fee of \$15 for camera club members and \$20 for none members. This is one you won't want to miss as it covers the tricks of the trade to elevate your images to the next level.

February Safari

Joan has planned a Safari to Shiloh Drive on the 25th of February. For those of you not familiar with Shiloh Drive, it located just south of Edgewater and offers some terrific nature shots. Joan would like to be there before sunrise but feel free to join her later if you so desire. It will be a bring a lunch and drinking water type trip.

If you have any questions, comments or suggestions give Joan a call. Her number is 761-9296
