THE MONTHLY NEWSLETTER OF THE SHORES  
CAMERA CLUB WHICH MEETS IN DAYTONA  
BEACH SHORES, FLORIDA

## President's Corner

First of all, I would like to take this opportunity to thank all of you who offered your help to me in the coming year. Your offers were very much appreciated!

It may take me a little while to get up to speed so I ask that you all please be patient while I get a grip on things. In the meantime, advice and guidance will be helpful to me so feel free to speak up.

I would like to remind everyone that Lillian has agreed to co-chair our programs committee and still needs help with that. I'd like to address this issue at our February meeting. Until then I'd like you all to consider what you can do to assist her. Perhaps you know someone that would be a good guest speaker, or perhaps you can give a workshop.

We have a great club and I'm really looking forward to next year. I'll see you all at the awards banquet!

## 12 January Program

There is no speaker scheduled for the January General Membership meeting. We will hold our annual Awards Dinner and recognize the achievements of our fellow club members.

## January Workshop

The January Workshop has yet to be finalized. The subject will be announced at a later date

## January Safari

Joan has attentively planned a Safari to Shiloh Drive on the 28<sup>th</sup> of January. For those of you not familiar with Shiloh Drive, it is located just south of Edgewater and offers some terrific nature shots. Joan would like to be there before sunrise but feel free to join her later if you so desire. It will be a bring a lunch and drinking water type trip.

If for some reason Shiloh Drive is closed, then we will head for either Black Point Drive or the Lake Woodruff NWR. Joan will give you plenty of notice so you can

plan accordingly.

If you have any questions, comments or suggestions give Joan a call. Her number is 761-9296
